

Enerlites®

DECORATOR TAMPER-RESISTANT RECEPTACLE WITH GUIDE LIGHT

MODEL NO: 61501-TRGL

DESCRIPTION

The ENERLITES 61501-TRGL receptacle is made of high-impact resistant polycarbonate thermoplastic for long service life. It is equipped with two tamper-resistant outlets and an LED guide light. The shallow design leaves ample room in the box for wiring. Removable yoke tabs allow for ideal alignment. Ideal for use in hallways, children's rooms, elderly care areas, and kitchens.

FEATURES

- Clearly visible "TR" markings on the face of device
- High-impact resistant thermoplastic cover and body for long service life in commercial applications
- Green grounding screw and self-grounding clip for automatic grounding connection in grounded metal wall box
- Shallow design for maximum wiring room in box
- Removable yoke tabs for ideal alignment
