

Enerlites®

DECORATOR SWITCH, LIGHTED RESIDENTIAL GRADE

MODEL NO: 91160

DESCRIPTION

The ENERLITES 91160 lighted decorator switch has smooth finish and is rated for commercial or residential use. Backlight illuminates when the load is off. The long, broad mounting strap virtually eliminates the need for floating installations. Clamp terminals accept solid or stranded wires which can be stripped with a wire stripper for 12 or 14 AWG to make installation faster and easier.

FEATURES

- Smooth, quiet paddle action
- Narrow body leaves more room for wires in the box
- High-impact resistant thermoplastic construction
- Removable yoke tabs for ideal alignment
- Captive mounting screws
- Push-in terminals for quick installation
- Easy-access green hex head ground screw
- Various colors available
