# Enerlites®

WI-FI SMART RECEPTACLE
WITH ENERGY MONITORING

MODEL NO: WF2UM

DESCRIPTION

The ENERLITES WF2UM is an in-wall WiFi smart receptacle with dual USB ports and 15 Amp tamper-resistant outlets. Download the free Enerwave app to your mobile device and use it to control connected devices remotely, set scenes, create schedules, and more. The top outlet is always ON and the bottom outlet's energy usage is monitored and reported by Smart Meter. The WF2UM can also be controlled through the Tuya Smart Life app, and connected devices are compatible with voice commands through Amazon Alexa or Google Assistant when using the Tuya Smart Life app.

FEATURES

- Works with ENERWAVE Wi-Fi App, no hub required
- Compatible with Amazon Alexa/Google Home for voice control
- Requires in-wall installation with hard wired connections - neutral wire required
- Compatible with different loads including LED
- Save energy by automating ON/OFF times or using timer
- Duplex Receptacle with Energy Monitoring and Dual USB Chargers Two USB Ports with Total Output 2.4A, 5 VDC
