

Enerlites®

WIFI SMART DIMMER

MODEL NO: WF500D

DESCRIPTION

The ENERLITES WF500D is an in-wall smart dimmer switch controlled with WiFi technology. Download the free Enerwave app to your mobile device and use it to control lights remotely, set timers, create schedules, and more. The WF15S light switch can also be controlled through the Tuya Smart Life app, and connected devices are compatible with voice commands through Amazon Alexa or Google Assistant when using the Tuya Smart Life app. Compatible in either single pole or three-way installations.

FEATURES

- Works with ENERWAVE Wi-Fi App, no hub required
- Compatible with Amazon Alexa/Google Home for voice control
- Requires in-wall installation with hard wired connections - neutral wire required
- Compatible with different loads including LED
- Save energy by automating ON/OFF times or using timer

SPECIFICATIONS

Voltage	120VAC, 60Hz
Incandescent	600W
