## DECORATOR ADAPTER TOGGLE BLANK ADAPTER

MODEL NO: 6002

### DESCRIPTION

The ENERLITES 6002 blank toggle adapter covers blank holes in multi-device installations. Made of polycarbonate thermoplastic they are manufactured to provide durability, flexibility, and resilience to bending and high-impacts. They are also heat & fade resistant to temperatures over 100 degrees which protects them from fading and discoloration over time. Their smooth finish provides an attractive look and makes them easy to clean.

### FEATURES
