

PHONE JACKS

MODEL NO: 6106

DESCRIPTION

The ENERLITES 6106 audio/video phone keystone jack insert provides a simple way to install a phone jack into a wall plate for a professional looking installation. These keystone inserts are compatible with wall plates with standard sized keystone openings including ENERLITES 1 to 6 port wall plates. Made of polycarbonate thermoplastic they are manufactured to provide durability, flexibility, and resilience to bending and high-impacts.

FEATURES

- Quick and secure snap-in design
- Use with multimedia plates and decorator frames
