

Enerlites®

KEYSTONE JACK INSERT CAT6 RJ45 COUPLER

MODEL NO: 6110

DESCRIPTION

The ENERLITES 6110 Cat6 RJ45 keystone jack insert can be used with 23 or 24 AWG solid cable into patch panels, wall plates, or surface mount boxes with standard keystone blanks. An easy snap-in retaining clip ensures a secure connection. The 110-type terminations are color-coded with both T568A and T568B wiring schemes. Dual IDC modules accommodate both 110 and Krone impact tools and include dust caps that assist with cable strain relief.

FEATURES

- Quick and secure snap-in design
- Use with multimedia plates and decorator frames
