## COMBINATION WALL JACKS F-TYPE/RJ11 CONNECTOR

MODEL NO: 6507

### DESCRIPTION

The ENERLITES 6507 F-Type/RJ11 adapter offers audio/video devices to fit within a decorator wall plate. Made of polycarbonate thermoplastic they are manufactured to provide durability, flexibility, and resilience to bending and high-impacts. They are also heat & fade resistant to temperatures over 100 degrees which protects them from fading and discoloration over time. Their smooth finish provides an attractive look and makes them easy to clean.

### FEATURES

- High-impact resistant thermoplastic frame
- Perfect for home and office
