

Enerlites®

1/2 IN. 2-GANG 5-HOLES WEATHERPROOF OUTLET BOX

MODEL NO: EN2550

DESCRIPTION

The ENERLITES EN2350 weatherproof outlet box is a 2-gang electrical box that features five 1/2-inch diameter knockouts. The electrical box features a die-cast metal construction that seals out moisture, dust, debris, and insects to keep receptacles protected year-round and throughout any weather conditions. It is compatible with 2-gang weatherproof covers, such as ENERLITES models IUC2V-D or 7702-WP.

FEATURES

- Quick fit installs in seconds
- Includes gasket and mounting hardware
- UV resistant, non-corrosive, non-conductive
