

Enerlites®

4 IN. ROUND WITH 5 3/4 IN. HOLES WEATHERPROOF OUTLET BOX

MODEL NO: EN4575

DESCRIPTION

The ENERLITES EN4575 weatherproof outlet box is a round electrical box that features five 3/4-inch diameter knockouts. The electrical box features a die-cast metal construction that seals out moisture, dust, debris, and insects to keep receptacles protected year-round and throughout any weather conditions. It is compatible with 4" diameter round weatherproof covers, such as ENERLITES model 7740-WP.

FEATURES

- Quick fit installs in seconds
- Includes gasket and mounting hardware
- UV resistant, non-corrosive, non-conductive
