Enerlites

Type-A/C USB Charger Receptacle

MODEL NO: 62001-TR2USB-1A1C

DESCRIPTION

The ENERLITES 62001-TR2USB-1A1C is a dual port 5.8 Amp USB Type-C/Type-A charger combined with two 20 Amp tamper-resistant receptacles. Our high speed USB Type-C and USB Type-A ports deliver the most advanced charging technology and optimize current to reduce charging time to devices. The USB charger receptacle allows the user to charge up to two USB devices (one USB-A and one USB-C) simultaneously without the use of bulky adapters while continuing to power traditional appliances such as a lamp or television with the same receptacle.

FEATURES

- Type-C port permits the cables to be inserted easily in either direction
- USB Type-C provides faster charging and is emerging as the standard port on many phones, tablets, and laptops
- Interchangeable face covers
- Built-in smart chip recognizes each device's individual charging requirements to optimize the charge
- Tested to withstand over 10,000 insertions
- Tamper-resistant receptacle improves child safety built-in shutter prevents access by most non-rated/foreign objects
- Fits in a standard wall box, compatible with standard wall plates
- Back wiring
