

8882
2 Gang Recessed
Multimedia Pull Box cover

INSTALLATION

- After installing a low voltage mounting bracket (not included), pass your low voltage A/V cables through the opening in the plate.
- Secure the Recessed Cable Plate to the bracket using the included screws and a Phillips head screwdriver.

DESCRIPTION

2-Gang Recessed Cable Wall Plate is used to install low voltage cables behind your flat panel TV, your amplifier or other audio and video devices. This plate is designed to be used with a low voltage mounting bracket (sold separately). The plate can be installed with the opening facing up or down. Give your in-wall low-voltage cable installation a professional appearance using this 2-Gang Recessed Low Voltage Cable Wall Plate from Enerlites

WARRANTY INFORMATION

This device is warranted to be free of material and workmanship defects for 1 year from the date of purchase. Original receipt or proof of purchase from an authorized retailer must be presented upon warranty claim. ALL claims must be verified and approved by Enerlites, Inc. Warranties from other Enerlites products may vary. This warranty is nontransferable and does not cover normal wear and tear or any malfunction, failure, or defect resulting from misuse, abuse, neglect, alteration, modification, or improper installation. To the fullest extent permitted by the applicable state law, Enerlites shall not be liable to the purchaser or end user customer of Enerlites products for direct, indirect, incidental, or consequential damages even if Enerlites has been advised of the possibility of such damages. Enerlites' total liability under this or any other warranty, express or implied, is limited to repair, replacement or refund. Repair, replacement or refund are the sole and exclusive remedies for breach of warranty or any other legal theory.
